Walk meeting times:

All walk meeting times following the walk number on the programme, are from the Selwyn Samuel Centre/Leisure Centre car park, except for train walks where everyone meets at Llanelli station.

People on walks involving train journeys (Walks 5,11, and 12) must go straight to the station, but please arrive 20 minutes before the train is due to leave, and don't buy your ticket without consulting the walk leader in case he/she has group tickets. The train times were current when this brochure was produced. Please check at the briefing or before travelling.

The programme may be changed should circumstances require.

****NB There is a maximum of 25 people per walk****

A few points to bear in mind:

Please wear suitable clothing and footwear. Make sure you have a light jumper, a waterproof and food and drink.

Leaders have the authority to refuse to accept walkers should they be inadequately equipped.

Insurance:

Participants are advised to arrange their own insurance to cover any loss, damage, accident or injury to people or their property, as the Llanelli Group of the Ramblers' Association cannot accept responsibility.

From Ramblers' Association on advice from their insurance company "All sporting and leisure activities have inherent hazards associated with them and rambling is no exception. In spite of the safety of members always being the paramount concern, accidents will occasionally occur. It is important, therefore, that when entering into the activity, each member appreciates that they have a responsibility to identify the hazards associated with the activity and take all reasonable steps to eliminate or minimise the potential for an accident to arise."
